: DECISION ON RENEWED
: PETITION TO WITHDRAW THE
: HOLDING OF ABANDONMENT
:

For: MULTI-POINT, ONE-PIECE SEAT BELT

This is in response the letter received September 28, 2005. This letter is being treated as a renewed petition to withdraw the holding of abandonment under 37 CFR 1.181. There is no fee for this petition.

The petition is **DENIED**.

A review of the file record indicates that the application was held abandoned for failing to file a proper response to the Office letter mailed November 23, 2004. A Notice of Abandonment was mailed on June 22, 2005.

Applicant's renewed petition fails to include any additional information which would effect the petition decision mailed on August 12, 2005. The **current status** of the applicant's invention is **abandoned**.

Applicant may wish to consider filing a petition to revive under 37 CFR 1.137(a) (unavoidable delay) or 37 CFR 1.137(b) (unintentional delay) as discussed below.

I. Unavoidable Delay.

A grantable petition to revive an abandoned application under 37 CFR 1.137(a) must be accompanied by: (1) the required reply (unless previously filed), which may be met by the filing of a continuing application in a nonprovisional application abandoned for failure to prosecute; (2) the petition fee required by 37 CFR 1.17(l); and (3) an adequate showing to the satisfaction of the Commissioner that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(a) was unavoidable.

The showing requirement can be met by submission of statements of fact establishing that the delay in filing the reply was unavoidable. This includes a satisfactory showing that the cause of the delay resulting in failure to reply in a timely fashion to the Office action was unavoidable. Diligence during the time period between abandonment and filing of the petition to revive must also be shown.

As an alternative to filing a petition for unavoidable abandonment, a petition for revival of an application abandoned unintentionally under 37 CFR 1.137(b) might be appropriate.

II. Unintentional Delay.

A grantable petition to revive an abandoned application under 37 CFR 1.137(b) must be accompanied by: (1) the required reply (unless previously filed), which may be met by the filing of a continuing application in a nonprovisional application abandoned for failure to prosecute; (2) the petition fee required by 37 CFR 1.17(m); and (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

The petition fee required by law for filing a petition under unavoidable standard is \$500. The fee for a petition under the unintentional standard is \$1,500. If applicant has, or can qualify as a "small entity" and does so prior to or together with the payment of the fee, the fee will be one-half of the amount indicated.

If not previously filed, the reply to the outstanding Office action must accompany the petition to revive.

The required items should be promptly submitted under a cover letter entitled "Petition to Revive".
